LOOKS SHARP IN BLACK.
LOOKS SHARP IN **COLOR.**

Introducing Porcelain[®] Ultra

95 Brightness on silk. 94 Brightness on gloss.

This paper looks sharp no matter how you print it. Its exceptionally smooth finish and even ink lay-down turn out vibrant, crisp images on the pure white surface.

Designers and printers value the fine detail, true colors and classic appearance.

SLICK AND SILKY,
ALWAYS MAKES A LASTING IMPRESSION.

Introducing Porcelain® Ultra

Two finishes. One amazing paper.
Heart set on silk? Porcelain Ultra silk finish is a unique value not found with premium coated grades. For this reason, we give it the attention it truly deserves.
Going for gloss? Porcelain Ultra features a high-bright blue white shade with an outstanding print surface that delivers high print gloss and a superb contrast between printed and unprinted surfaces.
